About Us

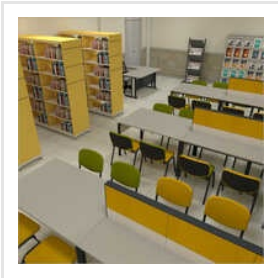

What sets our company, All Design Solutions, apart from the other providers of furniture in the Indian market? It is our keen passion to offer a qualitative range of furniture that is the perfect blend of design, durability, and functionality. With this understanding, we began our operations in 1990 from our head office in Indore, Madhya Pradesh. Today, we are offering an extensive portfolio that includes Institutional Turnkey Furniture, Locker Furniture, Workstation Furniture, Library Furniture, and other products. Our products are manufactured carefully at our facility, where we combine state-of-the-art technology with skilled craftsmanship, making the designed range suitable for use in several official spaces, institutions, and industries.

As a reliable manufacturer, supplier, and trader, we focus on implementing a strict quality control system that allows us to meet international quality standards. To help us implement this system, we have a quality control unit that provides us with significant aid. This unit is run by a team of quality experts who constantly monitor every step, including manufacturing, raw material selection, and packaging. At this unit, we are able to run several tests on our products against various parameters to ensure their long usage for many years. We are also a reliable service provider that is appreciated for the timeliness and transparency of all our Architecture Services and other services.
